Arbre de décision — Quel temps choisir ?

- 1 PASSÉ ou PRÉSENT ou FUTUR ?
- 2 Si PASSÉ : date précise → Simple / résultat présent → Perfect / avant un autre passé → Past Perfect / en cours → Continuous
- 3 Si PRÉSENT : en cours → Continuous / habituel ou général → Simple / durée depuis le passé → Perfect
- 4 Si FUTUR : décision instantanée → Will / plan → Going to / horaire → Present Simple / action en cours à un moment futur → Will be doing / terminé avant → Will have done

⚠ En cas de doute Prétérit / Present Perfect : cherche une date précise (hier, en 2020, il y a) → Prétérit.
Pas de précision temporelle → souvent Present Perfect.

🧠 Lis toujours les marqueurs temporels EN PREMIER. Ils indiquent presque toujours le bon temps.
