S3 — Cours 1

A2-B1

marc.vasseur@polytech-lille.fr

🔴 Il existe deux façons d'exprimer le présent en anglais. Beaucoup d'erreurs viennent de la confusion entre ces deux formes.

1. Present Simple — Forme & Emplois

Structure	Anglais	Note
Affir.	I/you/we/they work — He/she/it workS	S à la 3e pers. sg. (he/she/it)
Nég.	I don't work — He doesn't work	Pas de S sur le verbe principal après doesn't
Interr.	Do you work? — Does he work?	Do/Does est l'auxiliaire — base verbale

- ✓ Habitude, routine : She works every day.
- ✓ Vérité générale : Water boils at 100°C.
- ✓ Horaires fixes : The train leaves at 8 AM.
- ✓ Après if/when/as soon as (futur) : If it rains, I'll stay.

🔑 **Marqueurs** : always, usually, often, sometimes, never, every day/week, on Mondays, rarely

2. Present Continuous — Forme & Emplois

Structure	Anglais	Note
Affir.	I am / He is / We are + V-ING	BE conjugué + V-ING obligatoire
Nég.	I'm not / He isn't / They aren't working	
Interr.	Are you working? — Is he working?	Inversion BE et sujet

- ✓ Action en cours maintenant : Listen! The phone is ringing.
- ✓ Situation temporaire : I'm living with my parents this month.
- ✓ Futur proche planifié : We are meeting tomorrow at 9.
- ✓ Changement progressif : The climate is getting warmer.

🔑 **Marqueurs** : now, at the moment, right now, currently, today, this week, look!, listen!

3. Stative Verbs — JAMAIS au continu

Catégorie	Verbes
Sentiment	love, like, hate, prefer, want, wish, need
Sens / perception	see, hear, smell, taste, feel, seem, appear
Opinion / cognition	think*, believe, know, understand, forget, remember,

Catégorie	Verbes
	mean
Possession	have*, own, belong, contain

⚠ PIÈGE : think/have peuvent être dynamiques → I'm thinking about it (= réfléchir) / I'm having lunch (= déjeuner).

🧠 Simple = permanent/habituel. Continu = temporaire/en cours. Ask : est-ce que ça change ?
