

G16 — The Interrogative Pattern

Le schéma interrogatif

 17 S3 — Cours 1	 A2-B1	 marc.vasseur@polytech-lille.fr
---	---	--

🔴 Poser une question en anglais exige une structure précise. L'erreur la plus fréquente chez les francophones : oublier l'inversion ou l'auxiliaire.

1. Le schéma général

Structure	Anglais	Note
Yes/No	AUXILIAIRE + SUJET + VERBE + COMPLÉMENT	Does she work here? / Have they finished?
Wh- (objet)	MOT INTERR. + AUXILIAIRE + SUJET + VERBE	Where do you work? / What has she done?
Wh- (sujet)	MOT INTERR. + VERBE (pas d'inversion!)	Who called? / What happened? (≠ 'Who did call?')

2. Auxiliaires selon les temps

TEMPS	AUXILIAIRE	EXEMPLE
Present Simple	do/does	Do you work here? / Does she speak French?
Past Simple	did	Did he call? / Where did they go?
Present Continuous	am/is/are	Are you working? / Is she coming?
Present Perfect	have/has	Have you seen it? / Has she finished?
Past Perfect	had	Had he already left?
Future (will)	will	Will they come? / When will it start?
be going to	am/is/are	Are you going to attend?
Modal	modal	Can he help? / Should we leave?
BE (tous temps)	be directement	Is she tired? / Were they on time?

3. Mots interrogatifs

MOT	DEMANDE	EXEMPLE
Who	Personne (sujet ou objet)	Who called? / Who did she call?

MOT	DEMANDE	EXEMPLE
What	Chose, idée	What happened? / What do you need?
When	Temps	When did it start?
Where	Lieu	Where does she work?
Why	Raison	Why didn't he come?
How	Manière, moyen	How does it work?
How much	Quantité (indénom.)	How much time do we have?
How many	Quantité (dénom.)	How many reports did she write?
How long	Durée	How long have you worked here?
How often	Fréquence	How often do you update the system?
Which	Choix entre options	Which method did you use?
Whose	Possession	Whose report is this?

 **Question = INVERSION auxiliaire / sujet. Exception : question sur le SUJET → pas d'inversion. 'Who sent this?' (who = sujet).**
