G15 — Phrasal Verbs — Professional Context

Les verbes à particule en contexte professionnel

S3-S4

B1-B2

marc.vasseur@polytech-lille.fr

🔴 Un phrasal verb = verbe + particule (préposition ou adverbe). Le sens est souvent imprévisible. Très fréquents en anglais oral et dans les textes professionnels.

1. Types de phrasal verbs

Structure	Anglais	Note
Séparable	turn off the light / turn the light off / turn IT off	Si objet = pronom → TOUJOURS entre le verbe et la particule.
Inséparable	look after someone (pas 'look someone after')	L'objet vient toujours APRÈS la particule.
Intransitif (sans objet)	The plane took off. / She gave up.	Pas d'objet direct — particule toujours collée.

⚠ **RÈGLE CLÉE** : si l'objet est un PRONOM (it, him, them, us...) → il va TOUJOURS entre le verbe et la particule : 'Turn it off.' Jamais : 'Turn off it.'

2. Phrasal verbs essentiels — travail et études

PHRASAL VERB	SENS	EXEMPLE
carry out	effectuer, réaliser	We carried out the experiment.
set up	établir, mettre en place	They set up a new laboratory.
find out	découvrir, apprendre	I found out the cause of the error.
come up with	proposer (idée, solution)	She came up with an innovative solution.
deal with	gérer, traiter	He deals with client complaints.
put off	reporter, remettre	They put off the meeting until Thursday.
take on	prendre en charge, embaucher	The company took on 20 new engineers.
look into	examiner, enquêter sur	We should look into this anomaly.
point out	signaler, souligner	She pointed out the flaw in the logic.
give up	abandonner	Don't give up — keep trying.
break down	tomber en panne / se décomposer	The machine broke down during the

PHRASAL VERB	SENS	EXEMPLE
		test.
hand in / submit	remettre, soumettre	Hand in your reports by Friday.
go over	revoir, passer en revue	Let's go over the results one more time.
back up	sauvegarder / soutenir	Back up your data every day.
make up	inventer / compenser / se réconcilier	He made up an excuse. / Make up for lost time.
catch up (with)	rattraper	I need to catch up with my reading.
keep up (with)	suivre le rythme	It's hard to keep up with the latest technology.
put forward	proposer (formellement)	She put forward a new hypothesis.
rule out	exclure	We can't rule out a software error.
stand out	se distinguer	Her report really stood out from the rest.

Pronom (it, them, us...) → TOUJOURS entre verbe et particule : 'turn it off / hand it in / go over it'. Jamais à la fin.
