Le présent parfait et les marqueurs de durée

 17 S3 — Cours 3	 B1	 marc.vasseur@polytech-lille.fr
---	--	--

 Le Present Perfect relie le passé au présent. Il est fondamentalement différent du prétérit et ne correspond pas au passé composé français malgré l'apparence.

1. Formation

Structure	Anglais	Note
Affirm.	I/you/we/they HAVE + PP — He/she/it HAS + PP	HAS pour he/she/it. PP = forme 3 des irréguliers.
Négatif	I haven't / He hasn't + PP	haven't = have not / hasn't = has not
Interr.	Have you + PP? — Has she + PP?	
Contractions	I've, you've, he's, she's, we've, they've	he's = he HAS (≠ he IS!)

- ✓ Résultat présent d'une action passée : I've lost my keys. (je n'ai plus mes clés)
- ✓ Expérience de vie : Have you ever been to Japan?
- ✓ Action récente avec just : She has just arrived.
- ✓ Action non terminée (durée) : I have lived here for 5 years. (j'y vis encore)
- ✓ Avec already / yet : He hasn't called yet. / Have you finished already?

 **Marqueurs** : already, yet, just, ever, never, recently, lately, so far, for + durée, since + point départ

2. FOR — SINCE — AGO

Marqueur	Signification	Temps utilisé	Exemple
FOR + durée	pendant (durée totale)	Present Perfect	I have worked here for 3 years.
SINCE + point départ	depuis (début)	Present Perfect	She has been ill since Monday.
AGO (il y a)	révolu	Past Simple UNIQUEMENT	He left two hours ago.

 **AGO → TOUJOURS prétérit. 'He has left an hour ago.' = FAUX.**

3. Present Perfect vs Prétérit — Tableau comparatif

Present Perfect	Prétérit
Lien avec le présent	Passé révolu, sans lien présent
Pas de date précise : He has left.	Date précise : He left yesterday.

Present Perfect	Prétérit
Expérience générale : I've visited Paris.	Moment précis : I visited Paris in 2019.
Résultat actuel : I've broken my arm.	Description passée : I broke it last year.

 **Present Perfect = le passé a une conséquence MAINTENANT. Prétérit = c'est fini, point.**
